Please send a detail email to our webmaster at nhtsa.webmaster@dot.gov to have the name redacted from the complaint with your complaint number : 11572247 in the subject field.

Please remove my name from the complaint, it is [REDACTED] and is in the body of the complaint, I sent in a letter form and was unaware that the entire message including my name would be available. I attached my other correspondence and this webmaster address was given to me as the resolution. If you could please let me know when it is done so that I may confirm. Also in my clean in my complaint I attached emails that have mine and my husband's personal information on them as well as our personal email addresses these do not show up in the public available information but if there is a way to do so now even though after the fact I would like to be assured that this information will also not be made available to the public or to the manufacturer since the complaint the manufacturer is refusing to attempt to repair the vehicle and I believe it's in direct retaliation for the complaint

Subject: Request for Removal of Personal Information from a Complaint and Guidance on Reporting Additional Concerns

Dear Sir/Madam,

I am writing to seek your assistance and guidance regarding a complaint I previously filed with the National Highway Traffic Safety Administration (NHTSA) concerning a vehicle manufactured by Jeep. The Vehicle Identification Number (VIN) associated with the complaint is 1C4SJVGP1PS [REDACTED]. This complaint contains my full name in the body of the publicly available information as well as was provided to the FCA.

Since lodging the complaint, I have come to believe that both the manufacturer and the dealership involved have engaged in retaliatory actions against me. These actions have raised significant concerns about my privacy and well-being, prompting me to request the removal of my personal information from the associated complaint record. NHTSA ID Number: 11572247

Incident Date November 1, 2023

Consumer Location CATLETT, VA

Vehicle Identification Number: 1C4SJVGP1PS [REDACTED]

I kindly request your guidance on the necessary steps to have my name and any other identifying details expunged from the complaint filed with the NHTSA. My primary goal is to ensure my privacy is protected while still allowing the issue with the vehicle to be addressed appropriately.

Furthermore, I have additional concerns related to the same vehicle that I believe need to be reported and investigated. I would greatly appreciate it if you could provide me with information or contact details on how best to proceed with submitting this additional information to ensure it is reviewed and addressed appropriately and if possible anonymously to the extent allowed.

Your assistance and advice on these matters would be invaluable to me during this challenging time. Please let me know the best course of action or any specific procedures I should follow to ensure my concerns are addressed while maintaining my privacy.

Thank you very much for your time and assistance.

Sincerely,

[REDACTED]

Thank you
