I am writing in regards to my 2004 Ford
Mustang 40th Anniversary Edition 3.9 Liter
5 speed VIN: 1FAPP42L24F [REDACTED]

I had the rear end in my Mustang to
tear up. I had just come off the Interstate
traveling at a speed of 60 mph (3 months
ago). I would like to know if there have
been any recalls for this problem.

Sincerely,
[REDACTED]
