Hello,

Please correct the incident date to April 9, 2024 on my complaint (NHTSA ID#11585493). I sincerely hope you investigate into this incident that has the potential of future issues as the company has verbally denied any liability and puts the blame on me. Moreover, their agents told me the company, Polaris, has no dispute resolution process! So a customer can't even question their denial without going legal.

Thanks
