Ref. No. 11607121

Dear [REDACTED]:

Thank you for the letter about your model year (MY) 2007 Honda Fit vehicle. The National Highway Traffic Safety Administration (NHTSA) forwarded your letter to the Office of Defects Investigation. NHTSA's mission is to save lives, prevent injuries, and reduce economic costs due to road traffic crashes, through education, research, safety standards, and enforcement activity. I am pleased to respond.

We appreciate the report you provided. Among other enforcement activities, NHTSA continuously monitors available information to identify potential safety defect trends. As such, reports from motorists are a very important source of information for us. We encourage you to contact Honda and your dealer for the recommended cleaning and maintenance of the seat belts in your MY 2007 Fit vehicle. We entered your information into NHTSA's database, where it will be used with other reports and relevant information to identify any safety defect trends. You can learn more about NHTSA's investigation and recall process on our website at https://www.nhtsa.gov/sites/nhtsa.dot.gov/files/documents/mvdefectsandrecalls_808795.pdf.

Finally, please complete an electronic Vehicle Owner's Questionnaire on our website at www.nhtsa.gov or call the Vehicle Safety Hotline at 888-327-4236 if you encounter a safety-related problem with a motor vehicle or motor vehicle equipment in the future. You can also review complaints, safety recalls, manufacturers' service bulletins, etc. on our website. I hope you find this information helpful.

Sincerely,

[REDACTED]

Randy Reid, Chief
Consumer Engagement Division
Office of Defects Investigation
