Hello Craig,

A constituent contacted me with recall issues for his 2017-2018 Ram pickups. This is all explained in the Privacy Release Form. Since this is a new issue to me the only solution besides contacting you is to call the Ford dealership in his area, which at this point has born no fruit. Do you have any suggestions on what I can do about this other than making another call into the dealership?

Thanks for any help you can give Craig,

Craig Bishop
