**RE: 2022 KTM Adventure Motorcycle
NHTSA Recall #: 25V-59B
VIN: [REDACTED]
E-Throttle Control Unit
Purchaser: [REDACTED]
Delivery Date: [REDACTED]
OTD Purchase Price: \$7,636**

Dear KTM, and PCP:

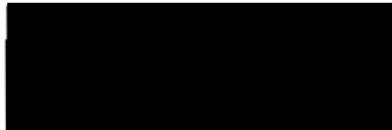

I purchased the above-referenced KTM motorcycle [KTM] new from PCP for the out-the-door price of \$7,636. The 2022 motorcycle was delivered March 15, 2023.

I have been unable to safely utilize the KTM since October 15, 2025 due to the defect described in the attached letter dated October 15, 2025, more than 3 months ago. The described defect is unacceptable. A motorcycle that cannot be ridden safely and cannot be sold due to a defect that may "... **risk of a crash.**" is not what I purchased.

Accordingly, I hereby demand KTM and/or PCP reimburse me my \$7,636 in purchase money no later than 5:00 p.m., Friday, February 6, 2026. Following receipt of payment, the KTM with its clean title (copy enclosed) will be available for collection at my above-referenced address upon 48-hrs written notice [email is fine].

IMPORTANT SAFETY RECALL NOTICE (Interim Notice)
NHTSA Recall No. 25V-598

This notice applies to your motorcycle, VIN: 

10/15/2025

WESTWOOD, CA 

RE: Affected models:
2022 390 ADVENTURE
2023 390 ADVENTURE
2024 390 ADVENTURE

Dear KTM Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

KTM North America, Inc. has determined that a defect which relates to motor vehicle safety exists with certain 2022, 2023 and 2024 390 ADVENTURE motorcycles.

On certain motorcycles, water could enter the throttle (e-throttle) control unit and cause it to fail.

A loss of engine power increases the risk of a crash.

To ensure the highest level of safety, performance, reliability and customer satisfaction, to remedy this defect, it is necessary to replace the e-throttle assembly on all affected motorcycles.

The remedy for this recall is not yet available due to the replacement e-throttle assembly not being available. Therefore the e-throttle assembly replacement on affected motorcycles can't be performed at this time.

Once e-throttle assemblies are available, you will be informed again by mail to contact an authorized KTM dealer to schedule the replacement of the e-throttle assembly on your motorcycle.

If you have any questions related to the content of this letter, please contact KTM North America, Inc. Customer Relations at (888) 985-6090 for assistance.

If your dealer fails or is unable to remedy this defect without charge, or within a reasonable amount of time, you may submit a written complaint to Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590 or call 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.nhtsa.gov>

We apologize for any inconvenience and want to assure you that our commitment together with all KTM Dealers is to provide you with the highest level of service, support and customer satisfaction.

Best Regards,
Dealer Services Department
KTM North America, Inc.
