LAUDERHILL, FL

**\*\*\* IMPORTANT SAFETY RECALL \*\*\***

**Compliance Recall Notice 26C11 / NHTSA Recall 26V123**

2020 Corsair

This Notice Applies to Your Vehicle, Vehicle Identification Number (VIN):

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that certain 2020-2022 Corsair and 2020-2024 Aviator vehicles, including the VIN shown above, fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) 111 sections 5.5.1 and 5.5.6 (Field of View and Default View).

We apologize for this situation and want to assure you, with your assistance, we will correct this condition. Our commitment, together with your retailer, is to provide you with the highest level of service and support.

**What is the issue?** On your vehicle, it may be possible to have the SYNC screen image on the center display flipped or inverted immediately after an ignition cycle.

**What is the risk?** This may result in the image displayed being inverted or flipped, this includes all buttons. While in reverse the rear view camera image, buttons, and camera guidelines may also be inverted or flipped. A rear view camera that does not correctly display a correct image in reverse can reduce your view of what is behind the vehicle, increasing the risk of a crash.

**What will Lincoln and your retailer do?** Software is not available. Lincoln is working to provide software for this repair. When the remedy becomes available, Lincoln will notify you via mail to schedule a service appointment with your retailer for repairs to be completed free of charge. The remedy is anticipated to be available by September 25, 2026.

**What should you do?** When the remedy is available, Lincoln will send a letter to inform you to contact your retailer to schedule a repair.

Lincoln has not issued instructions to stop driving your vehicle under this compliance recall. When the remedy is available, you should contact your retailer for an appointment to have your vehicle remedied as soon as practicable.

**What should you do?  
(continued)**

If you do not already have a servicing retailer, you can access [Lincoln.com/support](http://Lincoln.com/support) for retailer addresses, maps, and driving instructions.

If you are still having difficulty getting your vehicle repaired in a reasonable time or without charge, you may write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-888-275-9171) or go to [NHTSA.gov](http://NHTSA.gov). Reference NHTSA Safety Recall 26V123.

**Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.**

NOTE: You can receive information about Recalls and Customer Satisfaction Programs through The Lincoln App. The app can be downloaded through the App Store or Google Play. In addition, there are other features such as controlling certain functions on your vehicle (lock or unlock doors, remote start) if it is equipped to allow control.

**What if you no longer own this vehicle?**

If you no longer own this vehicle and have an address for the current owner, please forward this letter to the new owner.

You received this notice because government regulations require notification to be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate you are the current owner or lessee.

Thank you for your attention to this important matter.
