You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administration enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

This truck has a left brake pull. When brakes applied from truck pulls left across lanes into oncoming traffic. I have taken truck to dealer for repairs. Seven attempts made to repair still has a left pull when braking. This truck is very dangerous. I hope you can help me in filing arbitration on this vehicle. I haven't got much satisfaction from repair.

Thank you
