INFORMATION ON TIRE FAILURE(S) (IF APPLICABLE)

TIRE IDENTIFICATION NO.*

D O T

MANUFACTURER/TIRE NAME

S-ZE

* The identification number consists of 7 to 10 letters and numerals following the letters DOT. It is usually located near the rim flange on the side opposite the whitewall or on either side of a blackwall tire.

NARRATIVE DESCRIPTION (CONTINUED)

I've been to two Ford dealers and called Ford's Toll free number with no satisfaction - Ford had a safety recall for the same problem with model years 1990-1993 - My 1994 ~~the~~ Truck does not come under this recall but has the same safety concerns as the earlier models.
