Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies).

Trouble with rough idling and no power and engine surging at intersections and stop signs. Continuing problem with this in which the dealership and manufacturing will have no solution or means of getting this problem resolved. This problem is continuing to getting worse.

Continue on back.

The Privacy Act of 1974 - Public Law 93-579 This information is requested pursuant to a 49 U.S.C. Chapter 301. You are under no obligation to respond to this questionnaire. Your response may be used to assist NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If NHTSA proceeds with administration enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.
