NARRATIVE DESCRIPTION OF FAILURE(S), ACCIDENT(S), INJURY(IES)

The EBCM part for the Anti-lock Brakes went out in 6/00. I sent you copies of GM's - Lakota, Inc - Dealer in Ironwood, Michigan & my Mechanic - Thom's 4 Wheel Drive Services - stating this part is defective & needs replacing. This part is rare to defect especially since I only had less than 40,000 miles on this car. This could be very dangerous - What if it decides to go out when your using it - ~~that~~ you would have to pump your brakes - instead of just holding your foot down on the brakes. GM has bulletins on this, but no recall.
