NARRATIVE DESCRIPTION (CONTINUED)

front of me as the car seemed to throttle forward. I thought maybe it was slippery roads. In April on a clear day approached a red light, put foot on brakes, car throttled forward, pulled over to curb and car finally stopped. On October 7th, on clear sunny day was backing car into drive way, shifted to drive and car throttled forward over driveway across street in front of my house. On surfing internet found other people experiencing this problem. One individual, seeing SUBARU, found that after selling his car at a loss that SUBARU tracked down owner, ~~brother~~ gave new owner a new SUBARU & put car officially out of service.
