Vehicle Owner's Questionnaire**565006**

Office of Defects Investigation

DEFECTS INVESTIGATION

Click here to fill out the form using SSL. (your information will be encrypted)

Posted *JK***Read**

Form Approved: O.M.B. No. 2127-0008

APR 28 2002

Please provide your name, address, and phone number, as well as specific details about your vehicle and the problems you encountered with it. We would like to have a telephone number where you can be reached or where we can leave a message. This is necessary to obtain more detailed information when required for our investigative efforts. You may want to have your owner's manual handy as you proceed through the several screens of the questionnaire. Required information is marked with *.

Owner Information

* First Name:

* Last Name:

Organization:

Address 1:

Address 2:

City:

Home Phone:

Work Phone:

Fax Number:

Email:

Address:

The Privacy Act prevents release of owner information without prior authorization.

Do you wish to request a mailed signature form, which will authorize NHTSA to provide a copy of the owner information along with the vehicle information contained in this report to the manufacturer of your vehicle?

Yes ☒**Vehicle Information**

17 digit Vehicle Identification Number (VIN): 11msu41f1yec69643
(Located under windshield on driver's side dashboard)

Vehicle Owner's Questionnaire

(Page 1 through Page 7)

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study, and the fourth part discusses the implications of the findings. The paper concludes with a summary of the main findings and a list of references.

The research was conducted in a systematic and rigorous manner, following the principles of good research practice. The data was collected from a representative sample of the population, and the analysis was conducted using appropriate statistical methods. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well-written and easy to read, and it provides a valuable contribution to the field of research.

The findings of the study have important implications for the field of research, and they provide a basis for further research. The research was conducted in a systematic and rigorous manner, following the principles of good research practice. The data was collected from a representative sample of the population, and the analysis was conducted using appropriate statistical methods. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well-written and easy to read, and it provides a valuable contribution to the field of research.
