PLEASE DESCRIBE COMPLAINT ON REVERSE SIDE

BRIEFLY DESCRIBE YOUR COMPLAINT After having car for 8 months, while driving at approx. 10/15mph car started to smoke profusely under the hood and caught fire. Some fire dropped to the ground.

Car was totalled. I could have died. WAS NEVER TOLD OF A RECALL (see attached).

A BUICK rep started to interview me over the phone which was being taped; after a few minutes, I ended the conversation because they would not give me a copy of this tape.

What is my position? Is this a breach of warranty from dealer for not telling me defect?

WHAT FORM OF RELIEF ARE YOU SEEKING? (e.g., exchange, repair or money back, etc.) Received money back from Geico, but I am without a car. Received money back, also, for my plates.

WHO REFERRED YOU TO THIS OFFICE? I called a lawyer.

14.20 BUILDING STATUS CODE**Code Description**

1. **Decayed:** The building is normally fully occupied or is intended to be fully occupied. A few vacant areas, which are variable, may exist.
 2. **Partly Occupied:** The building is in good condition and more than 25 percent of the areas are vacant.
 3. **Partly Occupied, Deteriorating:** The building has some vacant areas and these are expected to remain vacant until demolition or alteration because of the condition of the building or its surroundings.
 4. **Vacant:** The building is entirely vacant. (Even if quarters are present.)
 5. **Under Demolition:** The building is in the process of being torn down.
 6. **Under Construction:** The building is under construction and does not have any occupants.
 7. **Under Construction:** The building is partially occupied, whether under a temporary certificate of occupancy or not.
- Note: The status code applies to the building, not the fire area. Therefore, codes 1, 2 and 3 may be used whether the fire itself occurred in a vacant or occupied area, and code 4 may apply even if the fire occurred in a vacant area (for example, a fire in a vacant apartment being repaired for a new tenant). The occupied or vacant status of the fire area is now recorded on the "Area of Origin" Code. (See Paragraph 2.19.2)

2. Exclusions. This Limited Warranty and the Dealer's or Lessor's responsibility for same shall not apply if the vehicle is other than a Personal, Family or Household purpose vehicle; is used for business, commercial, livery, rental, racing or other competition; for delivery purposes; is abused; lacks customary maintenance; damaged by accident or neglect, submerision; theft; vandalism; fire or other damage from the environment or other casualty, including road hazards; disconnected, stopped or altered odometer; towing or trailering (unless such vehicle is equipped for this as recommended by the Manufacturer); unreasonable modification and/or alteration of the vehicle. 3. This Limited Warranty is issued by the Selling or Leasing Dealer only and not by the manufacturer of this vehicle. It is not assignable except to the husband, wife or child of the Purchaser or Lessee and is included (without additional cost) as part of purchase or lease price of this vehicle.

4. (a) This vehicle is sold or leased with the statutory warranty required by New York General Business Law § 198-b. Under N.Y. Vehicle and Traffic Law § 417. The Dealer or Lessor warrants that this vehicle is in condition and repair to give you, under normal use, satisfactory and adequate service at the time of delivery.

(b) This Limited Warranty is expressly in lieu of any other warranties, express or implied. ALL IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY SPECIFICALLY LIMITED TO THE SAME DURATION OF TIME AS THE EXPRESS WARRANTY AS PROVIDED ABOVE. ANY WARRANTY, PROMISE OR GUARANTEE MADE BEFORE OR AFTER THE SIGNING OF THIS LIMITED WARRANTY IS VOID AND OF NO EFFECT AND IS NOT AUTHORIZED.

(c) The Dealer's or Lessor's liability hereunder is limited to repair or replacements as indicated herein and is further limited to expenses in attendance to the purchase or lease of the vehicle, whether such liability arises from contract, negotiation, warranty of any kind including warrant of merchantability or fitness and for any other cause. PURCHASER OR LESSEE SHALL NOT BE ENTITLED TO RECOVER FROM THE DEALER OR LESSOR ANY CONSEQUENTIAL DAMAGES, DAMAGES TO PROPERTY OR INJURIES FOR LOSS OF USE, LOSS OF TIME, LOSS OF PROFITS OR INCOME, OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES.

(d) Some states do not allow either (1) limitations on how long an implied warranty lasts or (2) the exclusion or limitations of incidental or consequential damages; to these limitations may not apply.

5. This Limited Warranty begins with the date of its signing and is not valid unless signed by the Dealer, Lessor or Authorized Agent and by the Purchaser or Lessee, who is to retain a copy. All warranty repairs, questions, complaints and informal settlement (dispute) procedures shall be referred to the Dealer, Lessor or Authorized Agent at the address and telephone number as stated above, and/or below.

6. This Limited Warranty gives you specific legal rights.

7. The Dealer or Lessor assumes no other responsibility for any repairs, questions or complaints about the vehicle.

In witness whereof, I, Edwin Warren, Dealer or Lessor, do hereby certify that the above is a true and correct copy of the original statements about the vehicle.
