PLEASE PROVIDE ANY ADDITIONAL INFORMATION / DOCUMENTATION. *AK</b></p> <p><i>While traveling from the Pittsburgh area to Bethlehem, PA, in inclement weather, my windshield wipers failed for no apparent reason. Upon investigation of the problem with a local mechanic, it was brought to my attention that Chevrolet has had many problems with the electrical module shorting out. The Chevrolet dealer noted that they had problems in the past but considered the problem was solved. However, based on my experience it was not solved. The reason I am bringing this problem to your attention is that I have never experienced such a safety problem with my windshield wipers.</i></p>
