VOQ Status: In Process

ODI Number: 730499

We appreciate the report you have provided. Reports from motorists are a very important source of information for our investigations. Each report is analyzed and compiled into a computerized data system to assist us in identifying potential recall inadequacies and safety defects to determine whether an investigation is warranted. The information you have provided will be reviewed and entered into our data system. It will be used with other reports to identify recall inadequacies and safety-defect trends which require our attention.
