ADDITIONAL COMMENTS

---

my anti lock system has been failing since i bought the truck in november of 1996 i went out of my way to take my truck to anchorage on the ferry considering i live on an island where there is no gmc dealer i had quite a few complaints one was my brakes they found nothing wrong so last month I recieved a recall notice they can not repair it where i live there is no computer for it gmc will not pay to have my truck sent up and fixed when i bought the truck i was told ALL waranty work would be done in kodiak and being i complained when the truck was new and paid all expences for the traveling to anchorage when they found nothing wrong i feel its only fair they pay expences this time including a replacement viechle for my time of loss i feel it is very dangerous for me to driving my truck with our road conditions and would appreciate some help with this matter gmc is being very rude (again) and not very helpful
