TIRE MANUFACTURER:
TIRE NAME:
TIRE SIZE:

ADDITIONAL COMMENTS

Can't tell when it will happen Therefore, if at night the lights don't work; if raining wipers stop: if on the high , stop lights don't work. Need to pull over Short-off car & restart then it all works for the next 150 to 200+ miles.

Its a real safty problem which the dealer can't figure out.
