Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

During the year 2001, I made several attempts and contacted the dealer ship (Hanté Nissan of Hartford) in order to resolve this problem. They replied by saying that the parts were not available. This happened for a while. After the second notice, I contacted the Dealership again several times. They replied by saying, "we will order the parts and will call you when they arrive. Tom still waiting since 3/5/02.
