The Privacy Act of 1974-Public Law 93-579 This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Multiple deep spontaneous cracks all along the dashboard. Several go into the airbag area. I am concerned that even more cracks will continue to occur & interfere with the safety of the airbag.

I would like to know why these cracks are happening & when can an evaluation of the airbag be done.

Thank you.
