The Privacy Act of 1974-Public Law 93-579 This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I have gotten a ticket for no time signal or brake light they will be on one minute and the next I go to put my signal on again and have none nor break lights. I have to turn the hazards on and off in order for them to come back on. This is very dangerous and scary. I always have children in this vehicle and anyone could hit me from behind.
