Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I've ran after the vehicle twice and this time I didn't drive car.
 My Mother parked the car. She came into the house and about 5min. later we heard a crash.
 We went outside and saw the car had gone down thru a fence thru the garden over grapes, & fence posts, over two fences and somehow slipping before going off a cliff.
 Causing about \$1500. worth of damage to the estate in question.
