You are under no obligation to respond this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

by my foot being caught I was dragged by the bike, away from
on coming car I forced my foot out and rolled away, the bike
was hit by the car. I sustained two broken bones in my foot
and the top of the arch was lacerated deeply, my elbow &
knee were scraped from dragging. The floor boards should not
fold all the way up, they are a trap, if I had not got my
foot out I would also have been hit by the car.
