Replacement Guidelines - CANADA

Customer Redemption Guidelines

Should you need to replace Products, bring in the worn merchandise to your Bendix brake mechanic with this completed registration form and your original receipt (proof of purchase).

Mechanic Customer Guidelines

- For each customer who purchases Products, follow these steps:
1. Explain the provisions and conditions of the Bendix Performance Replacement Plan.
 2. Complete this Registration Form and attach the customer's receipt (proof of purchase) to it.
 3. Present the Registration Form and receipt (proof of purchase) to the customer, emphasizing the importance of retaining the papers for future replacement of their brake products.
 4. Remind the customer to come in for annual, professional brake inspections.

Mechanic Credit Guidelines

To ensure that you receive credit for the Bendix Shoes, Pads, or New Master Cylinders returned for replacement, present all of these items to your Bendix brake jobber for each claim:

1. The worn Bendix Brake Shoes, Pads, or MASTER Cylinder.
2. The completed Bendix Performance Replacement Plan Registration Form with the customer's original receipt (proof of purchase) attached, for all retail customers.
3. A copy of your work order invoice.

THE BENDIX PERFORMANCE REPLACEMENT PLAN DOES NOT COVER:

The cost of labor for removal or installation. The cost of labor for annual brake inspections. The cost of brake fluid or supplemental parts. Bendix Shoes or Pads that are damaged or worn due to: improper installation; exposure to brake fluid or gear lubricant; hydraulic system misalignment; vehicle use "off-road" or in any competition or for trailer towing; accident; government or commercial use. Bendix Shoes or Pads used on vehicles exceeding 6000 lbs. gross vehicle weight. Bendix Brake Pads/Shoes which do not match the model and type of those installed originally on a vehicle. If, for example, a vehicle's original disc brake pads were semi-metal, Bendix Semi-Metallic Brake Pads must be installed. The Bendix Performance Replacement Plan excludes all other warranties express or implied and does not cover the cost of repair or replacement of any part that is damaged when the Bendix brake products do not operate properly or other consequential damages, nor does it cover the loss of use, towing charges, transportation costs or other incidental damages. Some jurisdictions extend the protection of implied warranties to subsequent consumers, and, as such, the above limitation to original retail consumers may not apply to you. You may have greater rights existing under provincial legislation. Where any form of the Bendix Performance Replacement Plan is prohibited by such laws, it shall be null and void, but the remainder of the Plan shall remain in effect.

ENUNCIÉ DE LA POLITIQUE - CANADA

Le plan Bendix de préservation des performances par remplacement vous assure, en tant que client d'origine au détail, que AlliedSignal Inc. se porte garant de la qualité et des soins apportés à la fabrication des produits suivants: toutes les mâchoires Bendix, organiques ou sans amiante, les plaquettes de frein à disque Bendix, organiques, semi-métalliques ou sans amiante; et les maître-cylindres neufs (non reconconditionnés) Bendix («les Produits»).

Si, pendant la période où vous êtes propriétaire du véhicule, les mâchoires ou plaquettes de frein Bendix atteignent leur usure limite (épaisseur de 0,8 mm (1/32 po) ou moins au-dessus de la tête des rivets pour une garniture de freinage ou épaisseur inférieure à 1,6 mm (1/16 po) au-dessus de la plaque d'acier pour les mâchoires collées ou les plaquettes moulées, le moins que des spécifications différentes ne soient stipulées par des lois et règlements gouvernementaux en vigueur localement) ou deviennent défectueuses, les mâchoires ou plaquettes de frein Bendix seront remplacées gratuitement si les directives de remplacement ont été suivies à la lettre. Si, pendant la période où vous êtes propriétaire du véhicule, un maître-cylindre neuf (non reconconditionné) Bendix atteint son usure limite ou devient défectueux, il sera remplacé gratuitement si les directives de remplacement ont été suivies à la lettre.

DIRECTIVES DE REMPLACEMENT - CANADA

Directives de remboursement pour le client

 4. Rappelez au client qu'il doit revenir pour une inspection annuelle de ses freins par un professionnel.

Directives pour créditer le mécanicien

Pour être sûr de recevoir un crédit pour les mâchoires, plaquettes ou maître-cylindres neufs (non reconconditionnés) Bendix qui ont été retournés pour remplacement, présentez la totalité des articles suivants à votre revendeur Bendix pour chaque réclamation:

LE PLAN BENDIX DE PRÉSERVATION DES PERFORMANCES PAR REMPLACEMENT NE COUVRE PAS:

Le coût de la main-d'œuvre pour le démontage ou le remontage; le coût de la main-d'œuvre pour les inspections de frein annuelles; le coût des fluides de freinage ou des pièces supplémentaires; les mâchoires ou plaquettes Bendix endommagées ou usées pour les raisons suivantes: installation incorrecte; mise en contact avec du fluide de freinage ou du lubrifiant de boîte de vitesses; défaut d'alignement du système hydraulique; utilisation du véhicule «hors-route» en compétition ou pour traction de remorque; accident; utilisation commerciale ou par un service gouvernemental; mâchoires ou plaquettes Bendix usées sur des véhicules dont le poids brut dépasse 3,600 kg (8,000 livres); mâchoires ou plaquettes de frein Bendix dont le type ou le modèle ne correspond pas à celui qui est installé d'origine sur un véhicule donné (par exemple, si les plaquettes de frein à disque moulées d'origine sur un véhicule étaient des semi-métalliques, ce sont des plaquettes de frein semi-métalliques Bendix qui doivent être installées). Le plan Bendix de préservation des performances par remplacement exclut toutes les autres garanties données ou implicites et ne couvre pas les frais de réparation ou de remplacement de quelque pièce que ce soit, endommagée par suite d'un fonctionnement inadéquat des produits de freinage Bendix ni autres dommages indirects, et ne couvre pas non plus la privation de jouissance, les frais de remorquage ou de transport ni tout autre préjudice pouvant en résulter. Dans certaines juridictions, la protection des garanties doit aussi être étendue aux clients ultérieurs, auquel cas la limitation au client d'origine au détail peut aussi peut-être pas s'appliquer à vous. Certaines lois provinciales peuvent aussi vous garantir des droits plus importants. Si l'un quelconque des termes du plan Bendix de préservation des performances par remplacement est prohibé par de telles lois, il sera déclaré nul et non avenue, mais le reste du plan restera valide.
