* The identification number consists of 7 to 10 letters and numerals following the letters DOT. It is usually located near the rim flange on the side opposite the whitewall or on either side of a blackwall tire.

SIZE LT225K5R16E	The above DOT number is from the tire found here now on the motorcycle. I would think the three with the food separation would be the same number since they are all 7 were purchased at the same time.
