NARRATIVE DESCRIPTION (CONTINUED)

The vehicle was running in Park.
As I stepped out of the vehicle, with
one foot on the ground and one still
in the vehicle it jumped into reverse.

The door hit me as it went backwards
while trying to regain balance the front
tire hooked up with my foot knocking
me to the ground and dragging me
under the vehicle for about 10 feet. A
passer by put the vehicle into neutral
and helped me up from the ground.
I have massive scars & witness to this!
