Narrative description of incident(s), failure(s), crash(es), location(s), and injury(ies). Include additional accidents if applicable.

Driving on I-75,
North of Micanopy
I lost control when my
left rear tire lost tread
and blew out. I got
control back and
stopped at the side
of the interstate and
called for help. Called
Florida Highway Patrol,
who helped change
the tire. The officer
said he never seen
anything like that,
especially with nothing
in the road to
cause it. This happened
around 5pm.
