

narrative description of incident(s), failure(s), rash(es), location(s), and injury(ies). Include additional accidents if applicable.

while driving one
car behind me hours ago
one and say lot of
sparks out from my
rear right wheel.
I already feel the car
wrong on my maneuvering
and steering problem.
my car pulls me to
Right-hand side curbs
So I bought my car
steering to shop and the
told me the wheel
bearings. The part
is also going to be
worn out also

continue on additional page if necessary.

describe any additional incidents. (include date and mileage)

The Privacy Act of 1974 (Public Law 93-579) This information is requested
request to inform you that the National Highway Traffic Safety Act and subsequent
amendments. You are under no obligation to respond to this questionnaire. Your
response may be used to assist the NHTSA in determining what or manufacturer
could take appropriate action to address a safety defect. If the NHTSA proceeds with
investigative action or enforcement against a manufacturer, your response, or a
statistical summary thereof, may be used in support of the agency's action.
