Narrative description of incident(s), failure(s), crash(es), location(s), and injury(ies). Include additional accidents if applicable.

I haven't had a week yet But my real job wants to pull you out of the road it pulls for the light and self before it doesn't drive light it vibrates my machine said it was not right and there the guy that chose it at machine said

there was nothing he could do about it my real vehicle is there and the road with the way it drives and pulls - is another machine said a Bolt was broke in the right tire and my feet needed to in and Re kided in front. Thank

Continue on additional page if necessary.

Describe any additional incidents. (Include date and mileage)

The Privacy Act of 1974 (Public Law 93-579) This information is requested pursuant to authority vested in the National Highway Traffic Safety Administration. You are under no obligation to respond to this questionnaire. Your responses may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA concurs with administrative enforcement or litigation against a manufacturer, your responses, or a statistical summary thereof, may be used in support of the agency's action.
