The Prevention of 1974—Public Law 93-579. This information is requested pursuant to authority under the National Highways Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining if it is better to make future rulemaking efforts to address the problem or if other regulatory processes should take additional action to correct a safety defect. If a traffic process with similar legislative enforcement of litigation against a manufacturer, your response, or its statistical summary thereof, may be used in support of the agency's action.
