on Feb. 15th. and you were on the other phone. As you did not return
my calles, I called agian on Feb. the 20th. and you were absent from
work, but I did talk with your supervisor, He advised me that my
check digit calculations sounded correct. However if after you check,
should there be anything incorrect please do call . I do appreciate
all your help in this matter, reason being we are waiting for our
approved VIN so we can apply them to our new trailers as soon
as possable.
