Attention: V.I.N. Coordinator

Dear Sir:

This is to notify you of a change in the information we have supplied you as required in FMVSS115.

Effective approximately July 15, 1985, we will be discontinuing our Model 20-016 Utility Trailer and adding Model 20-032 Utility Trailer which has a class E gross vehicle weight rating. This will not affect the information for deciphering our V.I.N.

Sincerely yours,

SNOWCO, INC.
