

2015

**DWI Detection and Standardized Field Sobriety Testing
DWI Detection and Standardized Field Sobriety Testing Refresher
Advanced Roadside Impaired Driving Enforcement
Preliminary Drug Evaluation and Classification
Drug Evaluation and Classification**

Each of the above curricula is set up the same way. You may receive just one of the curricula (i.e., DWI Detection and Standardized Field Sobriety Testing) or to all of them.

- ✓ Instructor Manual – In this folder you will find two components:
 1. A subfolder titled “Full Manual”. This is a PDF version of the full Instructor Manual. This file contains pages that were intentionally left blank to allow for two-sided printing. Below is the total number of pages in each instructor manual contained in the “Full Manual” option:
 - DWI Detection and Standardized Field Sobriety Testing = 529
 - DWI Detection and Standardized Field Sobriety Testing Refresher = 116
 - Advanced Roadside Impaired Driving Enforcement = 301
 - Preliminary Drug Evaluation and Classification = 257
 - Drug Evaluation and Classification = 1049
 2. Each individual Session and/or file for the Instructor Manual. The files are in PDF format and are listed in numerical order. The files are listed in sequential order to make printing easier. Please note that this option will result in fewer pages, but you will be responsible for ensuring that two-sided printing is done correctly.

- ✓ Participant Manual – In this folder you will find two components:
 1. A subfolder titled “Full Manual”. This is a PDF version of the full Participant Manual. This file contains pages that were intentionally left blank to allow for two-sided printing. Below is the total number of pages in each participant manual contained in the “Full Manual” option:
 - DWI Detection and Standardized Field Sobriety Testing = 465
 - DWI Detection and Standardized Field Sobriety Testing Refresher = 102
 - Advanced Roadside Impaired Driving Enforcement = 289
 - Preliminary Drug Evaluation and Classification = 239
 - Drug Evaluation and Classification = 943

2. Each individual Session and/or file for the Participant Manual. The files are in PDF format and are listed in numerical order. The files are listed in sequential order to make printing easier. Please note that this option will result in fewer pages, but you will be responsible for ensuring that two-sided printing is done correctly.
- ✓ PowerPoints – In this folder you will find two components:
 1. A subfolder titled “Media”. These files are associated with the PowerPoint files. Please do not remove these files from the current location. By doing so, the PowerPoint presentations will not function properly.
 2. Each individual PowerPoint Session. There are items in the “notes” section that correspond to the Instructor Manual. Also, animation is used throughout so please get familiar with the structure and movement of the PowerPoint before using. Please do not alter or modify the content of these files.

In some of the folders you will notice a subfolder titled “Video for DRE and Preschool”.

- ✓ In the Preschool PowerPoint, Session 2, Slide 22 there is a placeholder for this video. Open the video folder and select the DRE 12 step Assessment video and click play to begin.
- ✓ In the DRE PowerPoint, Session 4, Slide 54 there is a placeholder for this video. Open the video folder and select the DRE 12 step Assessment video and click play to begin.
