Subject ES350 Rubber floor mat issue

Hello Michael-san

I was informed the captioned issue by CQE person and Tomizuka-san last Friday.  
If you have a detail action of this issue, please let us know.  
I heard TMS PQSS discussed to make some campaign letter to customer.

Have those problem vehicle genuine accessory rubber floor mat?  
I would like to confirm that ES350 genuine rubber mat has two clip holes and with clips or not.

When you will implement a customer campaign for this issue, you should ask CADD a request of it.
