

## 07 LEXUS RX ACCESSORIES

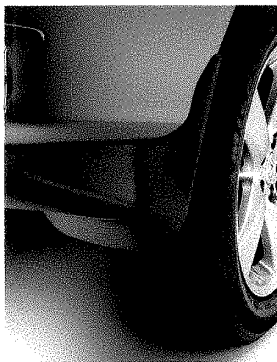

### ALL-WEATHER FLOOR MATS

Constructed from a heavy-duty, long-wearing, fade-resistant and recyclable TPE material. They feature a custom logo, aggressive ribs and retention clip to prevent sliding. Perimeter lip and custom channel design help keep dirt, debris and liquids from escaping onto the floor carpet. Liquids are channeled away from the feet, keeping clothing and shoes dry.

### TOWING EQUIPMENT- BALL MOUNT & TRAILER BALL

Ball mounts and trailer balls are made specifically for use with Lexus tow hitches. Ball mounts feature an e-coat and powder coat paint to prevent rusting and accommodates the drop/rise to match the hitch to the trailer. The trailer ball, made of cold forged steel for superior strength, includes built-in wrench flats for easy installation and provides connection between the tow hitch and trailer. Consult your owner's manual or contact your Lexus dealer for towing and load specifications.

### TOWING EQUIPMENT- TOW-HITCH RECEIVER

Engineered specifically for each vehicle to obtain the safest maximum tow rating. Each hitch is e-coated and powder-coated to prevent rust and corrosion. Consult your owner's manual or contact your Lexus dealer for towing and load specifications.

### TOUCH-UP PAINT

Lexus quality touch-up paint is mixed to the exacting standards of the original paint and is a precise match to your vehicle's original color.
