DETAIL_CUST_MEMO

Until the new driver's seating position Lexus ES 350 All Weather Floor Mat is ready, we request your assistance in regularly verifying the floor mat is properly secured using the retaining hooks (clips) provided. If the mat is properly secured, it will not interfere with the accelerator pedal. Good times to check are after filling your vehicle's tank with gasoline, after a carwash and/or vehicle interior cleaning, when another driver is about to drive the vehicle, etc. More than one floor mat should never be used in the driver's seating position, as the retaining hooks (clips) are designed to accommodate only one floor mat at a time. Please refer to the floor mat section of your Owner's Manual for further information regarding the retaining hooks (clips).
