

Fit Up Issue/Results

Base Information (Required):

(Note: All Information is required)

Issue ID:	06-0042	Critical Issue: False	Open Date:	02/28/2006 06:00:05 PM
Issue Category:	No Issue		Accessory Level:	Production
Subject:	AW Mats ISIR Fit-Check			
Location:	TMS - Torrance			

Detail Information (Required):

(Note: All information (apart from "Comment") is required to close the issue.)

Vehicle Build Level:	1A	Fit Up Date:	02/28/2006
Concern:	Overall fit/function of floor mats		
Vehicle:	ES350	Planned Close Date:	02/28/2006
Vehicle ID:	JTHBJ46G2 [REDACTED]	Fit Up Engineer:	Kiyo Inoue
Accessory:	Floor Mats	Supplier:	Thermoflex
Product Engineer:	Kiyo Inoue		
Proposed Countermeasure:	1. Grommets were added to all passenger locations. Now there will be 2 grommets for each location. 2. The shapes changed in all locations, see attached sheets for specifics.		
Comment:	This fit-check was used to kick off the carpeted and all-weather floor mats. The mats were made to the maximum size. K. Ono, Y. Yamaguchi, and Sam Chen participated in the fit-check.		
Actual Countermeasure:	JTHBJ46G8720 [REDACTED] - Fit-checked AW Mat ISIR Samples No issues. All changes were made and the fit was good. Steve Kidani, Dave Molina, Jason Gan, and David James participated in the fit-check.		
NOTE: Actual Countermeasure and Actual Close Date MUST be completed before issue is closed.	Actual Close Date:	02/28/2006
