I'm going to forward this to Chuck Yaeger here at Lexus to see if he is aware of it and can give us an update, etc.

Do you guys know anything about this? Is there any NHTSA activity on this? Do we have a Q&A? (see attachment below)

Hi. Do you guys know anything about this alleged problem with the ES? They want us to answer our readers' e-mails nowadays, even ones from people who don't know how to spell "brake" or "pedal."

Dear Mr. Incantalupo,

Please see attached letter.

Very truly yours,
