Dear Dr. Hatipoglu:

Pursuant to 49 CFR 579.11(a), Volkswagen Group of America, Inc. ("VWGoA") hereby submits the following recall that will be conducted in a foreign country(s).

- (1) Manufacturer Name
Volkswagen AG
- (2) Date of Determination by the Manufacturer
January 24, 2024
- (3) Identification of Vehicles, Basis of Determination and How Vehicles Differ from Identical or Substantially Similar Vehicles Not Included in Recall

Make: Volkswagen

Line: T-Roc

Model Year: 2024

Date of Production: August 2023 – January 2024

Basis for Determination: Determination based upon production records. Vehicles that may have been subject to incorrectly performed rework at the factory are included in the recall.

Reason U.S. Vehicles Are Not Affected: The T-Roc is not offered for sale in the U.S. market. No other vehicles/models are affected since this was a specific, factory assembly-related issue affecting this one model.

- (4) Description of Defective Component(s) and Manufacturer
Screw connection of the drive shaft to the gearbox flange carried out by Volkswagen.
No manufacturer failure; the assembly process in the Volkswagen factory resulted in the issue.

- (5) Total Number of Vehicles Affected
70

- (6) Description of Defect
The screw connection of the drive shaft to the gearbox flange may not have been performed correctly during rework-process at the factory.
- (7) Affected Countries
Taiwan and Japan
- (8) Type of Campaign
Recall
- (9) Determination made by:
Volkswagen AG
- (10) Manufacturers Program of Remedy
Check of the screw connection
- (11) Start of Campaign
To be determined.
- (12) Identification of Identical or Substantially Similar Vehicles to U.S. Market
2024 model year Volkswagen Golf, Jetta, Taos
2024 model year Audi A3

Sincerely,

A handwritten signature in blue ink, appearing to read "C.T. Sandvig".
