RE: NSA-111tn
RQ99-014

Dear Mr. White:

This will confirm our telephone conversation of this morning, at which time I advised that I am representing Holiday Rambler in the above-referenced matter. As a result of our discussion, Holiday Rambler will provide the following responses to your letter of June 30, 1999, on or before the August 18, 1999, return date: responses to numbered paragraphs 1, 2, 4d (the Company does not have copies of any police reports), 5, 7 and 11.

Responses to the other questions are deferred at this time, with the recognition on the part of Holiday Rambler that if some or all of this additional information is required by the Office of Defects Investigation as a result of your staff's review of the agreed-upon submission, Holiday Rambler will undertake to do so. In the latter case, several of the requested items will take considerable periods of time to compile.

Holiday Rambler appreciates your courtesy and accommodation in this matter.

Sincerely,

Lawrence F. Henneberger
