FORD MOTOR COMPANY

CIV-2002-*JW*
DEFENDANT

COMPLAINT

Come now the plaintiff [REDACTED] by and through their attorney, Gerald A. Coleman, and for their Complaint states:

1. Plaintiff are individual residents of Crittenden County, Arkansas.
2. Defendant is a Delaware Corporation, qualified to do business in the State of Arkansas and whose agent for service is The Corporation Company, 425 W. Capitol Avenue, Suite 1700, Little Rock, Arkansas 72201.
3. The property which forms the basis of this Complaint is situated in the State of Arkansas.
4. Defendant is engaged in the manufacture, distribution and sale of vehicles, including the Lincoln Town Car.
5. The Lincoln Town Car was defective in its design, workmanship, construction, and manufacture, and as a result, was defective, unsafe and inadequate for the use it was made and intended to be used. It left the factory in this condition.
6. The 1992 Lincoln Town Car that [REDACTED] purchased had a speed control deactivation switch that developed a resistive short in the electrical circuit that caused a fire under the hood. The short is such that the fire could and was started when the vehicle engine was off.

7. [REDACTED] purchased a 1992 Lincoln Town Car. She was unaware of its defective condition. She had parked her car at the rental house she lived in, which belonged to [REDACTED]

8. On or about June 12, 2001, said Lincoln Town Car caught on fire due to the defect in the speed control deactivation switch. The fire spread from the car to the house, which caught on fire and burned to the ground.

9. At the time of the fire, said house had a fair market value of \$117,500.00 and was a total loss. [REDACTED] also has to expend \$4,550.00 for bulldozer clean up to prepare the ground to rebuild, loss of rental income of \$400.00 per month from the fire through the present.

[REDACTED] lost personal possessions in the house due to the fire, including the value of the vehicle at \$6,000.00, the value of her clothing, the cost of guns and other property, which amounted to another \$20,000.00, and the sum of \$2,250.00 in expenses to find and rent another place to stay on a temporary basis.

10. The fire was caused due to the negligence of Ford Motor Company and the building of the Town Car, rendering it a fire hazard.

WHEREFORE, PREMISES CONSIDERED, pray plaintiff have judgment against Ford Motor Company as follows: \$126,700.00 for [REDACTED] for loss of the building and his other damages, and the sum of \$28,250.00 for [REDACTED] for loss of personal property; for attorney fees and whatever other relief the Court deems necessary.

RESPECTFULLY SUBMITTED,

Dear Christine:

Attached you will find a copy of our limited file which contains a recall that is the suspect in this loss.

I have had the vehicle and loss location secured in the event Ford wants to inspect. But I am sure time is of an essence and I request your help in pursuing Ford.

I am forwarding a copy of this file to Jon Brickman and request that you direct all your correspondence to him and we will assist in anyway possible here in Arkansas.

INSURED

[REDACTED] who resides at [REDACTED] Widener, Arkansas [REDACTED] is self employed in the farming business.

RISK

Risk consists of a one story frame sporoved roof dwelling located on [REDACTED] approximately five miles south of Shell Lake, Arkansas. Dwelling is situated on a farm headquarters owned by your insured and was occupied by employee-tenant [REDACTED] and his family. Diagram of risk is attached.

RECEIVED

JUL 02 2001

COLUMBIA INS.

CAUSE OF LOSS

Fire originated in tenant's vehicle sitting in garage and spread to dwelling causing the total destruction of the vehicle and the dwelling. According to our discussion with insured, [REDACTED] wife and two children were at home and stated that the vehicle caught fire and spread to the dwelling before the fire department could arrive. The Herb Volunteer Fire Department and the St. Francis County Sheriff's Department responded. We have requested reports.

As we have discussed by phone, insured has indicated that the 1992 Lincoln Town Car owned by his employee was subject to a recall for defective electrical. Insured has fixed us a copy of a recall sheet they retrieved from the internet. It looks like the recall came out in 1999. As requested, we have asked the insured to hold the vehicle and the fire scene pending further instructions. We have also requested an opportunity to interview Mr. & Mrs. Thompson regarding the history of the vehicle and the fire itself.

SUBROGATION

To be determined following completion of our investigation.

SCOPE OF DAMAGE

As photographs will indicate, dwelling was completely consumed as were all contents.

ADJUSTMENT

We recommend payment as a total loss and would recommend payment forwarding to exchange for a proof of loss and subrogation receipt. We will continue our investigation and keep you advised.
