**Subject:** RE: EA03-008 / Part number and model year

Hello John,

The answer to your question regarding the part number and year used is:

Fuel tank 9142514 was used in production for model year 1995.

I am sorry that it took me so long to respond and apologize for the error. Please let me know if you require anything further information about this.

Best regards,

Diana Lidgett
