An Authorized Kia Dealer will make necessary repairs, using new or remanufactured parts, to correct any problem covered by this limited warranty without charge to you.

1. The Warranty Period

The New Vehicle Limited Warranty is divided into various periods. Each period begins on the date the vehicle is sold to the first retail purchaser or put into service, whichever occurs first. 2. Warranty Coverage

This Warranty is not transferable to any subsequent owner. Subsequent owners have powertrain components covered by the 80 month/80,000 mile Kia Basic Warranty Coverage. 120 Month/100,000 mile Power Train Limited Warranty also excludes coverages for vehicle placed in commercial use (i.e. taxi, route delivery, livery service, rental, etc.)

OR THE AUTHORIZED KIA DEALER SELLING THE KIA VEHICLE. NO DEALER, OR ANY AGENT OR EMPLOYEE THEREOF, OR ANY OTHER PERSON, IS AUTHORIZED TO EXTEND OR ENLARGE THIS WARRANTY. KIA MOTORS AMERICA, INC. SHALL NOT BE LIABLE FOR ANY ECONOMIC LOSS, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, OR ANY SERVICE NOT EXPRESSLY PROVIDED FOR HEREIN.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Kia Motors America, Inc. warrants that the body sheet metal panels of your new Kia Vehicle are free from defects in materials or workmanship which result in perforation (hole through the body panel) due to corrosion, subject to the following terms and conditions.

An Authorized Kia Dealer will either repair or replace any body sheet metal panel perforated due to corrosion resulting from defects in material or workmanship under normal use without charge to you.

- Any perforation due to corrosion of a part of the Kia Vehicle which is not a body sheet metal panel. As used herein, "body sheet metal panel" specifically excludes all parts which are components of the exhaust system of the Kia Vehicle.
- Defects or failure resulting from the use of new parts not sold or approved by Kia, or used parts, or the resultant damage to associated parts or systems.

"Your Responsibilities" (page 12) of this warranty manual and the Owner's Manual provided with your Kia Vehicle.

3. Your Responsibilities

Inspect the body sheet metal panels of your Kia Vehicle frequently and if you detect any stone chips or scratches in the paint or protective coating, touch them up immediately.

In addition, under certain conditions, special care should be taken to protect your Kia Vehicle from corrosion.

- If you drive frequently on gravel roads, we recommend that you install stone guards behind each wheel.

Emission Control Warranty

Emission Defect Warranty

Vehicles Equipped with a California Certified Emission Control System and registered or normally operated in the State of California or any other state that adopts California emission warranty provision are also entitled to the California Emission Warranty. (Refer to Page 24 in this Manual).

*Currently Massachusetts and Vermont.

Kia Motors America, Inc. warrants to the ultimate purchaser, and each subsequent purchaser, that your Kia Vehicle is (1) designed, built, and equipped so as to conform at the time of sale with the applicable regulations of the United States Environmental Protection Agency (the "EPA"), and (2) free from defects in materials and workmanship which would cause it to fail to conform with the applicable regulations for a period of vehicle operation that does not exceed 24 months or 24,000 miles, whichever occurs first, if the failed Emission Warranty Part is listed in the 24 Month/24,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty or for a period of vehicle operation that does not exceed 96 months or 80,000 miles, whichever occurs first, if the failed Emission Warranty Part is listed in the 96 Month/80,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty. The applicable warranty period shall begin on either the date the Kia

Vehicle is sold to the first retail owner, or on the date the Kia Vehicle is first placed in service (for example if used as a demonstrator, lease, or company car), whichever is earlier. If there should be such defects within this period, Kia will, at its option, repair or replace them with new or remanufactured parts free of charge at an Authorized Kia Dealer in the United States, and the liability of Kia under this warranty is solely limited to such repair or replacement.

This warranty does not apply to or include repair or replacement required, not as a result of defects in materials or workmanship of Kia but, as a result of such factors as (i) accidents, (ii) misuse, (iii) lack of proper maintenance, (iv) repairs improperly performed or replacements improperly installed by any person other than a Kia Dealer, (v) a replacement part or accessory not conforming to the Kia specifications, or (vi) any of the items listed under "What Is Not Covered" in the New Vehicle Limited Warranty on pages 7-8 and "Other Items Not Covered by this Warranty" on page 19 of this manual.

This warranty is given in lieu of all other express or implied warranties on the part of Kia Motors America, Inc. or the Authorized Kia Dealer selling the Kia Vehicle. No dealer, or any agent or employee thereof, or any other person, is authorized to extend or enlarge this warranty.

The "Other Terms" stated on page 9 of the New Vehicle Limited Warranty section of this manual also apply to this warranty.

Exhaustion of the New Vehicle Limited Warranty

Emission Performance Warranty

Important Notice:

This warranty has been prepared in accordance with certain regulations promulgated by the EPA which provide that a remedy will be available under this warranty only when a vehicle fails an EPA approved emission short test, generally under circumstances which subject the Owner to a penalty under local, state or federal law because of such failure. As of the date of the printing of this warranty, many states did not have vehicle inspection programs for testing vehicles for conformity with such short test and had not enacted laws subjecting vehicle Owners to such penalties. Therefore, it is possible that in many states or local areas no remedy will be available under this warranty as a matter of law.

1. Warranty

Pursuant to Section 207 (b) of the Clean Air Act, Kia warrants to each Owner that it:

- (a) The Kia Vehicle is maintained and operated in accordance with the Written Maintenance Instructions; and
- (b) The Kia Vehicle fails to conform at any time during the term of this warranty to the applicable emission standards of the EPA, as judged by an emission test approved by the EPA; and

- (c) Such nonconformity results or will result in the Owner having to bear any penalty or other sanction (including the denial of the right to use the Kia Vehicle) under local, state or Federal law, Kia shall remedy the nonconformity at no cost to Owner except that if the Kia Vehicle has been in operation for more than 24,000 miles or 24 months since the date of retail delivery or first use of the Kia Vehicle, Kia shall be required to remedy the nonconformity only if results from the failure of an Emission Warranty Parts List on the 96 Month/80,000 Mile Emission Warranty Parts List.

2. Term of Warranty

This warranty shall commence on either the date the Kia Vehicle is sold to the first retail delivery or owner, or on the date the Kia Vehicle is first placed in service (for example, demonstrator, lease, or company car use), whichever is earlier. This warranty shall be effective for a period 2 years or 24,000 miles.

from such date, whichever occurs first, except that if the failure to conform to applicable emission standards results from the failure of a part listed on the 96 Month/80,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty, this warranty shall be effective for a period of vehicle operation that does not exceed 96 months or 80,000 miles, whichever occurs first.

3. Owner's Warranty Responsibilities

Each Owner is required to comply with the Written Maintenance Instructions and a claim under this warranty may be denied on the basis of noncompliance by the Owner with such instructions. If and when it is considered that the vehicle's nonconformity with the applicable emission standards has resulted from the Owner's noncompliance with those Written Maintenance Instructions which the manufacturer considers necessary for the vehicle to meet the standards, the Owner may be required to submit evidence of such compliance, and therefore, receipts and other documents covering the performance of scheduled Maintenance Service and proper use in accordance with the Written Maintenance Instructions, including but not limited to validated Scheduled Maintenance Record of this manual, should be retained by the Owner and should be transferred to each subsequent Owner of the Kia Vehicle.

4. Use of Kia Parts

The Kia Vehicle is designed, built and tested using Kia Parts so that the Kia Vehicle is able to perform in conformity with EPA regulations as provided by this warranty. Accordingly, it is recommended that any replacement parts used for maintenance, repair or replacement of the Kia Vehicle be Kia Parts, or parts equivalent to those with which the Kia Vehicle or its engine was originally equipped.

5. Use of Non-Kia Parts

Owner may elect to use Certified Parts other than Kia Parts in the performance of any maintenance or repairs and such use in itself will not invalidate this warranty. However, use of other than Kia Parts may cause Kia to deny an Emission Performance Warranty claim if the Certified Part used is either defective in materials or workmanship or not equivalent from an emission standpoint to Kia Parts.

6. Repair or Replacement by an Authorized Kia Dealer

Your Kia Dealer shall make all adjustments, repairs or replacements necessary to assure the Kia Vehicle complies with applicable emission standards of the EPA and that the Kia Vehicle will continue to comply during the remainder of the term of this warranty (if proper maintenance and operation are continued).

7. Warranty Claim Procedures

A warranty claim may be submitted by presenting the Kia Vehicle to any Authorized Kia Dealer during the Authorized Kia Dealer's regular business hours, together with a copy of a failed emissions test. Upon presentation of a claim, Kia shall notify the Owner within 30 days, or such shorter period of time within which repair is required by local, state or federal law, that the claim will be honored or shall provide the Owner in writing with an explanation of the basis upon which the claim is being denied.

Failure to notify the Owner within such time period shall cause Kia to be responsible for repairing the Kia Vehicle free of charge to the Owner, unless such failure is attributable to the Owner or to events beyond the control of Kia or the Authorized Kia Dealer.

8. Maintenance by Other Than an Authorized Kia Dealer

Maintenance, replacement, or repair of the emission control devices and systems covered by this warranty may be performed by any automotive repair establishment or individual using Certified Parts. However, such non-Kia Certified Parts will not be covered by Kia's emission system warranties should such parts fail at a later date.

9. Customer Assistance

If you have any questions regarding your warranty rights and responsibilities, you should contact the Kia Motors America, Inc. Consumer Affairs Department toll-free at 1-800-333-4Kia. Or you may write to: Director, Field Operations and Support Division (EN-397F), Environmental Protection Agency, 401 M Street, S.W., Washington, DC 20460.

10. Other Items Not Covered by This Warranty

In addition to the above provisions, this warranty does not cover the following:

- (a) Damage resulting from such factors as accidents, acts of nature or events beyond the control of Kia.
- (b) Any economic loss, incidental, special, consequential, or exemplary damages (whether in contract or tort), including, but not limited to, loss of time, inconvenience, loss of use of the Kia Vehicle, cost of transporting the Kia Vehicle to an Authorized Kia Dealer or other repair establishment for repair or service, lodging, car rentals, travel costs, loss of pay and any other expenses or damages.
- (c) Any repair of a Kia Vehicle on which the odometer mileage has been altered or on which the actual mileage cannot be readily determined.

(When replacing the speedometer, the "Speedometer Replacement Record" on the inside front cover must be filled in by an Authorized Kia Dealer or any repair establishment utilizing Certified Parts.)

This warranty is given in lieu of all other express or implied warranties (except those set forth separately in this manual) on the part of Kia Motors America Inc. or the Authorized Kia Dealer selling the Kia Vehicle. No dealer, or any agent or employee thereof, or any other person, is authorized to extend or enlarge this warranty.

This warranty is applicable to all the Kia Vehicles certified for the 50 states, including the State of California.

Your Warranty Rights And Obligations

The California Air Resources Board and Kia Motors America, Inc., are pleased to explain the emission control system warranty on your 2001 Kia vehicle. In California, new motor vehicles must be designed, built and equipped to meet the State's stringent anti-smog standards. Kia must warrant the emission control system on your Kia vehicle for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your Kia vehicle.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, catalytic converter, and engine computer. Also included may be hoses, belts, connectors and other emission-related assemblies. Where a warrantable condition exists, Kia will repair your Kia vehicle at no cost to you including diagnosis, parts and labor.

Manufacturer's Warranty Coverage

For 3 years or 50,000 miles, whichever first occurs:

1. If your Kia vehicle fails a Smog Check Inspection, all necessary repairs and adjustments will be made by Kia to ensure that your vehicle passes the inspection. This is your emission control system **PERFORMANCE WARRANTY**.
2. If any emission-related part on your Kia vehicle is defective, the part will be repaired or replaced by Kia. This is your short-term emission control system **DEFECTS WARRANTY**.

For 7 years or 70,000 miles, whichever first occurs:

If an emission-related part listed in this warranty booklet specially noted with coverage for 7 years or 70,000 miles is defective, the part will be repaired or replaced by Kia. This is your long-term emission control system **DEFECTS WARRANTY**.

**KIA**

Owner's Warranty Responsibilities

As the Kia vehicle owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Kia recommends that you retain all receipts covering maintenance on your vehicle but Kia cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your Kia vehicle to a Kia dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30

As the Kia vehicle owner, you should also be aware that Kia may deny you warranty coverage if your Kia vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, you should contact Kia Motors America, Inc., Consumer Affairs Department at 1-800-333-4Kia or the California Air Resource Board at 9528 Telstar Avenue, El Monte, CA 91731.

Coverage

Kia Motors America, Inc. (KMA), warrants to the owner that any vehicle certified for sale in the State of California and registered in the State of California is designed, built and equipped so as to conform with the emissions standards adopted by the California Air Resources Board. Kia warrants that this vehicle is free from defects in material and workmanship which would cause any part on this vehicle which affects emissions to fail to conform with applicable requirements or to fail to pass a required state smog check test for three years or 50,000 miles, whichever occurs first. Kia also warrants that, any part on the warranted emissions parts list in this warranty and installed as original equipment, is free from defects in material and workmanship which would cause this vehicle to fail to conform with applicable regulations for seven years or 70,000 miles, whichever first occurs.

Warranty Service

To obtain warranty service, return the vehicle to any authorized Kia dealer. Service will be performed without charge for diagnosis, parts and labor. In case of emergency, see Emergency Service Instructions.

Exclusions

This warranty does not apply to failures caused by abuse, tampering or lack of maintenance; or to any vehicle on which the odometer mileage has been altered so that the vehicle's actual mileage cannot be determined.

STATEMENT OF OWNER'S RIGHTS AND OBLIGATIONS

What Is Covered By The Warranty

If a vehicle fails a state Smog Check test during the coverage period, Kia will repair the vehicle so that it will pass a state Smog Check retest. The owner should take the vehicle to any authorized dealer for Warranty repairs and present a copy of the failed Smog Check test report to the dealer. If the owner is not notified within 30 days that a performance warranty claim is not valid then the manufacturer is required to repair the vehicle free of charge.

In addition, if a warranted part fails because of a defect, Kia will repair or replace it at any authorized Kia dealer. Any other parts damaged by the failure of a warranted part will also be repaired or replaced. The repair and/or replacement will be made at no charge to the owner for parts, labor and diagnosis. For emergency situations, see the instructions under Emergency Service.

How Long Does The Warranty Last

The warranty shall apply for 3 years or 50,000 miles, whichever occurs first, except that those parts listed on the warranted parts list are covered for 7 years or 70,000 miles, whichever first occurs. Where parts are scheduled for replacement as required maintenance, the warranty shall apply until the first scheduled maintenance point listed in the Owner's Manual. This warranty begins on the date the vehicle is delivered to the original purchaser or on the date the vehicle is first placed in service, whichever occurs first.

What The Owner Must Do

It is your responsibility to perform the required maintenance and use the vehicle in accordance with Kia's written instructions. Warranty coverage will not be denied solely because there is no record of maintenance. However, failures caused by lack of required maintenance are not covered by the warranty. To avoid questions as to whether the vehicle maintenance has been performed, Kia urges that you retain all receipts and/or maintenance records indicating that service has been performed on the vehicle and these documents should be transferred to any subsequent owner of the vehicle.

Service

MAINTENANCE SERVICE CAN BE PERFORMED BY ANY QUALIFIED SERVICE OUTLET OR BY THE OWNER. HOWEVER, EXCEPT IN AN EMERGENCY SITUATION (SEE EMERGENCY SERVICE), WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED KIA DEALER.

Parts

IT IS RECOMMENDED THAT ANY REPLACEMENT PARTS USED FOR MAINTENANCE OR FOR THE REPAIR OF EMISSIONS CONTROL SYSTEMS BE NEW, GENUINE KIA PARTS. However, the warranty obligations are not dependent upon the use of any particular brand of replacement parts. The owner may elect to use non-Kia parts for maintenance purposes. Use of replacement parts which are not of equivalent quality may impair the effectiveness of emissions control systems.

What Is Not Covered By Emission Warranty

Malfunctions in any part caused by misuse, alteration, tampering, disconnection or improper or inadequate maintenance.

Damage to catalytic converter due to use of leaded gasoline.

Damage resulting from fire, accident, negligence, act of God or other events beyond the control of Kia.

Maintenance replacement parts (such as spark plugs) beyond the first scheduled replacement point.

Incidental or consequential damages such as loss of use of the vehicle, loss of time, inconvenience, expense for gasoline, telephone, travel or lodging.

Any vehicle on which the odometer mileage has been altered so that actual vehicle mileage cannot readily be determined. (When the Owner replaces the speedometer or has it replaced by a repair facility, then the "Speedometer Replacement Record" on the inside front cover must be filled in by an Authorized Kia Dealer.)

Loss or damage to personal property, loss of revenue, commercial loss or other matter not specifically included.

Damage resulting from the use of a non-Kia part.

Emergency Service

If emergency Emission Control System Warranty service is required and the owner is unable to readily locate an authorized Kia dealer or if a warranted part is not available within 30 days, then, repairs may be performed at any available service establishment, or by the owner, using any replacement part. Kia will reimburse the owner for the owner's expenses including diagnostic charges for such emergency repair or replacement at Kia's suggested retail price for all warranted parts replaced and

labor charges based on Kia's recommended time allowance for the warranty repair and the geographically appropriate hourly labor rate. Replaced parts and copies of paid original receipts must be available for presentation to Kia as a condition of reimbursement for these emergency repairs. In addition, the owner must provide Kia a detailed description indicating why the situation was considered an emergency and why an authorized Kia dealer was not available. Additional information may be obtained by calling 1-800-333-4KIA. A repair not being complete within 30 days constitutes an emergency.

The following section has been developed with information on contacting Kia and on the basic provisions of your State's "Lemon Laws". In some states, your Kia dealership may provide you with Lemon Law disclosure information in addition to the booklet in accordance with state law. NOTICE TO CONSUMERS STATE OF CALIFORNIA

KIA

1. Kia participates in BBB AUTO LINE, a mediation/arbitration program administered by the Council of Better Business Bureaus (4200 Wilson Boulevard, Arlington, Virginia 22203) through local Better Business Bureaus.

If you have a problem arising under a Kia's written new vehicle warranty, we encourage you to bring it to our attention. If we are unable to resolve it, you may file a claim with BBB AUTO LINE. Claims arising under a Kia's written new vehicle limited warranty must be filed with the BBB within six (6) months after the expiration of the warranty.

To file a claim with BBB Auto Line, call 1-800-865-5100. Your call will be automatically directed to the appropriate BBB AUTO LINE office in California. There is no charge for this call.

2. In order to file a claim with BBB AUTO LINE, you will have to provide your name and address, the brand name and Vehicle Identification Number (VIN) of your vehicle, and a statement of the nature of your problem or complaint. You will also be asked to provide the approximate date of your acquisition of the vehicle, the vehicle's current mileage, the approximate date and mileage at the time your problem was first brought to the attention of Kia or one of our dealers, and a statement of the relief you are seeking.

BBB staff may try to help resolve your dispute through mediation. If mediation is not successful, or if you do not wish to participate in mediation, eligible customers may present their case to an arbitrator at an informal hearing. The arbitrator's decision should ordinarily be issued 40 days from the time your complaint is filed (47 days if you did not first contact Kia about your problem).

3. California Civil Code Section 1793.2(d) requires that, if Kia or its representative is unable to repair a new motor vehicle to conform to the vehicle's applicable express warranty after a reasonable number of attempts, Kia may be required to replace or repurchase the vehicle. California Civil Code Section 1793.22(b) creates a presumption that Kia has had a reasonable number of attempts to conform the vehicle to its applicable express warranties if, within 18 months from delivery to the buyer or 18,000 miles on the vehicle's odometer, whichever occurs first, the same ill-

KIA

threatening nonconformity (a condition likely to cause death or serious bodily injury if the vehicle is driven) has been subject to repair 2 or more times by Kia or its representatives or the same nonconformity (a defect or malfunction which substantially impairs the use, value or safety of the vehicle) has been subject to repair 4 or more times by Kia or its representatives and the buyer has notified Kia of the need for the repair of the nonconformity.

California Civil Code Section 1793.22(b) also creates a presumption that a reasonable number of attempts have occurred if, within 18 months from delivery to the buyer or 18,000 miles on the vehicle's odometer, whichever occurs first, a vehicle is out of service by reason of repair of nonconformities by Kia or its representatives for a cumulative total of more than 30 calendar days after delivery to the buyer.

These presumptions shall only apply if you have at least once directly notified Kia of the need to repair the nonconformity. Such notice must be sent to:

NOTICE TO CONSUMERS STATE OF NEW HAMPSHIRE MOTOR VEHICLE ARBITRATION BOARD

The New Hampshire New Motor Vehicle Arbitration Law, RSA 357-D, applies to new motor vehicles sold or leased (for two or more years) and/or registered in the State of New Hampshire. A new motor vehicle is defined as a passenger vehicle, motorcycle, or truck with a gross vehicle weight not exceeding 9,000 pounds.

If, during the express warranty period, you discover a defect which substantially impairs the use, market value, or safety of this vehicle, and it has not been successfully repaired after three repair attempts by the manufacturer, its agent, or an authorized dealer, or it has been out of service by reason of repair of one or more nonconformities, defects, or conditions for a cumulative total of thirty business days, you may be entitled to apply for a comparable replacement or a refund of purchase price plus incidental damages less a reasonable allowance for use.

In order for a repair attempt to qualify, you must obtain a written repair order. Neither the manufacturer nor any agent of the manufacturer (including the dealership service) may refuse to provide you with a written repair order at your request.

The vehicle is deemed to be out of service if it is in for repair for a majority of the day.

You cannot use the New Motor Vehicle Arbitration Law if you elect to use the manufacturer's dispute settlement mechanism. Forms for electing to proceed before the New Hampshire Motor Vehicle Arbitration Board should be included with your new vehicle on delivery.

You may not use the New Motor Vehicle Arbitration Law if you have stopped making payments on any lease or financing agreement because of the vehicle's condition.

The New Hampshire Motor Vehicle Arbitration Program includes other eligibility requirements which you must meet to qualify.

or Vehicle Arbitration Board, 10 Hazen Drive, Concord, New Hampshire 03305, telephone (603) 271-8383, or your dealer.
