Jeff,

This letter is a follow-up to our telephone conversation on January 5, 2005, regarding the due date for the subject Information Request (IR) investigation.

The original due date for this investigation was February 11, 2005. GM is requesting a due date extension to allow time to complete two other NHTSA IRs. Per our conversation, we agreed the new due date will be March 4, 2005.

Please feel free to contact me if you have any questions.

Sincerely,

Keith S. Schultz
Senior Manager - GM Product Investigations
