Dear Mr. Cooper:

This is to confirm that you have granted Kia an extension until October 1, 2004 in which to provide responses to Request Numbers 8 and 10-12. The basic information requested by you will be submitted on September 3, 2004. With respect to Request No. 9, you indicated that you simply wanted a general understanding of whether any modifications had been made to the latch assembly and/or actuator and that any supplemental information could be submitted in the October 1, 2004 response.

Thank you for your assistance and should you have any questions, please do not hesitate to contact me.
