Mr. Henneberger: This will confirm our discussion where I have agreed to grant an extension to receive a partial response on November 5, 2004 to our information request (PE04-062a), with the remainder to be submitted by November 19, 2004.

Mr Boyd: This will confirm our telephone conversation of this afternoon, concerning the misunderstanding with respect to the address information on the PE letter referenced above, to my client Dana Corporation (Commercial Vehicle Systems Division). Dana appreciates your courtesy, as a result, in extending the time for its response, until Nov. 5, 2004 (partial submission, with responsive information available up to that time), and November 19, 2004 (completion of response), respectively.

Thank you for your consideration.

Larry Henneberger
