Hi Keith,
Re: Request for extension of full response to IR dated October 7, 2005 (PE05-055)

Your request for an extension for response to questions 7-14 is granted. The new due date for that response is December 7, 2005. I understand that GM will submit its response to questions 1-6 on November 21, 2005.

Tom,

GM plans to respond to questions 1-6 of Information Request PE05-055 (N-car Hazard Switch) on the original due date of November 21, 2005.

GM requests a due date extension of December 7, 2005 for its response to questions 7-14.

Please reply to this response with your answer.

Sincerely,

Keith S. Schultz
