Hello Mr Lewis,

Your request for an extension for Porsche to reply to ODI's information request letter dated 11/17/05 is granted.

The new reply due date is 2/13/06. Should Porsche acquire information that would allow it to provide a partial response to our letter prior to 2/13/06, please do that. A partial response prior to 2/13/06 will help us meet our deadline for conducting this investigation.

Thank You,

Tom Cooper

Hello Mr. Cooper,

I was just discussing our response to PE05-060 with Mr. Ong. Our factory has been closed for 2 weeks for the holidays and I need some more time to assemble all your needed information. I respectfully request an extension for our response to February 13, 2006.

Please let me know if this is acceptable.

Many thanks in advance.
