**Re: EA 05-005, Supplementary Response of Texas Instruments, Inc. to August 31, 2005
Information Request**

Dear Ms. DeMeter,

Supplementing my November 1, 2005 letter to you in this matter, we are hereby transmitting additional documents that Texas Instruments has located which are responsive to the questions that were posed to Texas Instruments in your August 31, 2005 Information Request letter addressed to Texas Instruments. The documents being produced are all responsive to question number 4 of that Information Request letter. Each document has been labeled with Bates numbers which follow consecutively the numbers assigned to the document production made by Texas Instruments on November 1.

Please let me know if you have any questions.

Sincerely,

David H. Coburn
Attorney for Texas Instruments, Inc.
