Dear Mr. Quandt:

Subject: EA05-014:NVS-213swmc

The Ford Motor Company (Ford) response to EA05-014 dated January 27, 2006, contained a CD that included various appendices. Ford is now aware that Appendix A was unintentionally omitted from the CD. Ford is attaching two updated copies of a revised CD that contains the omitted Appendix A, as well as all other electronic appendices, which are identical to those submitted in the January 27, 2006, response.

If you have any questions, please call me.

Sincerely,

R. A. Nevi
Assistant Director
Global Automotive Safety Compliance
